

Amanda Makki FOR CONGRESS

Amanda Makki is a GOP candidate for Congress in Florida's 13th District. An attorney and conservative national commentator, Amanda is a strong conservative with a proven record of fighting for the values and principles that made America the greatest country in the world!

As an infant, Makki and her family escaped an oppressive religious regime in Iran after the Revolution in 1979, to come to America. With the little resources they could quickly scrape together, they escaped to come to the Land of Opportunity, where anyone with a dream and a good work ethic could become successful. While Makki's father studied to become a surgeon, her mother was a childcare provider and delivered Yellow Pages to provide the family's income. Makki witnessed her parents drive to succeed and commitment to the American Dream, which motivated her to start working at the young age of 15.

As a Farsi language speaker, Makki served at the Army General Counsel at the Pentagon just weeks after the September 11 terrorist acts. Makki went on to serve as senior Republican Healthcare Advisor in both the U.S. Senate and the U.S. House of Representatives, and before the age of 40, became one of the youngest partners at K&L Gates, one of the nation's premier law firms.

Makki grew up in Montgomery County, Maryland and is a graduate of the University of Maryland, where she obtained her degrees in Finance and Business Management and the Catholic University of America where she obtained her law degree. Makki is also proficient in Spanish.

Amanda is frequently brought on for her expertise as a Republican Attorney and Strategist on national networks such as Fox, Newsmax, CNBC International, BBC, Sky News and Fox Business. She has resided in St. Petersburg, Florida since 2015 and enjoys fishing, biking and golfing. She is active in her faith and worships at Starkey Road Baptist Church.
